Permit met to draw your kind attention to the following few facts and favourable orders therefor

I have received a letter, referred to above, from the Deputy Commissioner, Bangalore District, Bangalore calling upon me to pay a sum of Rs 373-6-8 towards the entertainment tax in connection with the match between Russia and Mysore held on March 24, 1955

I am herewith enclosing a statement of Receipts and Payments in connection with the same

The total receipts, as feared, fell much below even our modest expectation and consequently, as the balance sheet makes it very clear, we are in arrears to various gentlemen and are finding it extremely difficult to meet the demand

This is a game, Sir, which has not been able yet to attract sufficient paying crowd and this is an association which is still in

in its very infency with no assets nor any resources to cope up with such big enterprises as inviting a foreign team and conducting a match of such magnitude Still, we ventured, purely because it was a matter of the reputation of the State and have landed ourselves in this Predicament

The only way now left, therefore, is to appeal to your goodself to waive the entertainment tax of Rs 373-6-8 and save us from the serious situation we are in For which act of kindness this association will be ever grateful to you

Thanking you, Sir,

Dear Sir,

Subject -Waiveing of Entertainment Tax in Connection with the Exhibition match between Soviet Team and Mysore Team On March 24,'55

Ref -This association's letter dated July 1, and Letter from the Deputy Commissioner, Bangalore District dated September 5 '55 demanding early payment

Please permit me to draw your kind attentiom to the following few facts and necessary orders therefor

I have, in my previous letter quoted above, set in detail the circumstances that necessitated our request for waiving the Enter -tainment Tax I appended, along with my previous letter, a statement of accounts also for enabling your goodself to appréciate our difficult position

It hardly reqires me to emphasise the fact that actually this association has sustained heavy, indeed very heavy, loss in that ente -prise which was only to keep up the traditions of this state As a matter of fact we did not collect any entertainment tax as such

It was purely an exhibition match arranged with no object of gaining any profit to the association but only to provide an opportunity to home team to gain some advantage and afford the feeilty to the visiting guests a chance to understand ourselves in the sports field too, just as in cultural intercourses etc

I earnestly request, therefore, to be good enough to waive the entertainment tax and if that is not possible to kindly give this association a grant of Rs 1000/ to pay of the same along with some other outstanding debts and thereby get this young association out of this precarious positinn

Hope you will be kind and considerate enough to do the needful in the matter,

In the meanwhile the Deputy Commissioner is pressing for payment immediately Necessary instructions may kindly be issued to him to wait until the orders are passed thereon and oblige,
